

# How to resize printables to fit your planner.

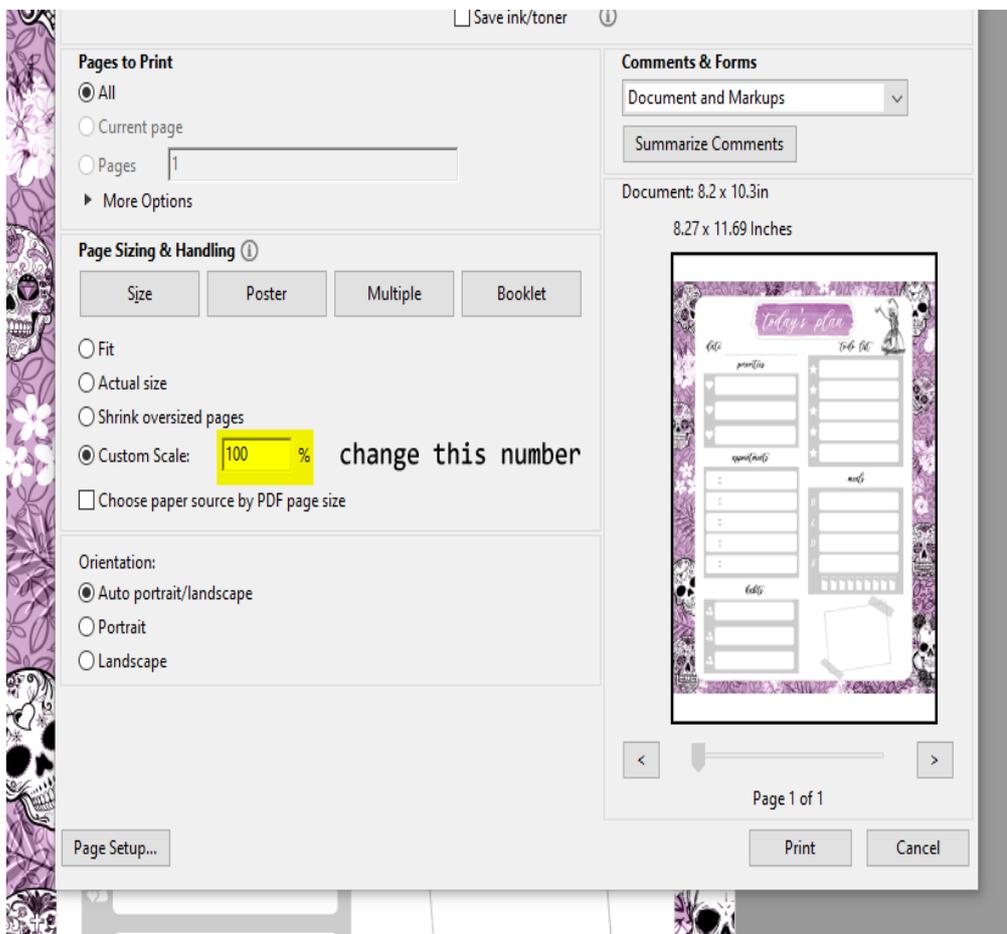

Print to a custom scale percentage.

1. Download ADOBE READER [here](#) (it's free).
2. Install and run it.

3. Open your planner and click on print button.
4. Use this **scale setting** to print other sizes (inches) . Find in this table your percentage and digit it in the cell:

from LETTER size to:	input this percentage in the scale area:
A5	70
Half Letter	65
Happy Planner	75
Mini Happy Planner	66
Personal	55
A6	70
Pocket	67
